

Jining Sinda Arts & Crafts Co., Ltd.

A Candle Manufacturer

Founded in 2011, Jining Sinda Arts & Crafts Co., Ltd. is one of the fast-growing candle manufacturers based in China. The company manufactures and supplies jar candles, tumbler candles, tea light candles, pillar candles, Christmas candles and custom shaped candles, with multiple scent options.

As an international market oriented candle manufacturer in China, Sinda have exported products to the United States, Canada, the United Kingdom, France, Germany, Australia as well as other countries. Over the years, the company has won the honor to be the OEM partner for many well-known global and regional candle brands.

As a long run player, we always purchase source materials such as paraffin wax and fragrance from branded suppliers. With rich experience of manufacturing candles for American and European markets, the company has the confidence to produce various kinds of high quality candles for you. We believe our clients will be happy if we prevent the quality problems from happening from the very beginning.

More importantly, we have implemented a low price policy. If you like to know how low our price is, welcome to contact us for a quote.

These are the photos of candles we manufactured for our clients.
